ACADEMIC STANDARDS AND CURRICULA REVIEW COMMITTEE  
Recommendation

**SR-90-91-(116)268 (ASCR)**

That the following be approved:

Eliminate section "Honors Students in Graduate Courses," on page 66 of the undergraduate catalog, 1990-91. Replace it with the statement: "On recommendation by the Department Chairperson and with the approval of the undergraduate Dean and the Dean of the Graduate School, Marshall University seniors with superior academic undergraduate records may be permitted to enroll in graduate courses. Students with an overall GPA of 3.0 or better who have attained senior status have standing eligibility to take courses at the graduate level (500 or 600 series) upon application. Complete applications must be on file in the Graduate School Office and permission secured prior to the opening of the term of enrollment. Credit for graduate courses completed as a senior can be applied to either an undergraduate or a graduate degree at Marshall University but not to both. Grades received in graduate courses taken by undergraduate students for undergraduate credit will be included in the computation of the student's undergraduate GPA.

**RATIONALE:** This change will put the undergraduate catalog in conformity with the graduate catalog. With the exception of the last sentence, the above is what appears in the graduate catalog, page 19, 1990-91 edition.
